

Our diabetic patients can earn Nike or Dr. Comfort shoes!

The Diabetes Program is rewarding patients for taking an active part in their healthcare by completing annual diabetic education & exams.

Must be completed within the audit (calendar) year to earn shoes:

✓ **Diabetic Foot Clinic Visit**

- Annual diabetic foot exam
- Screenings: tobacco use, depression, health risk assessment

✓ **Diabetic Doctor Visit**

- Labs: HbA1C, serum creatinine, egfr value, cholesterol (total, hdl, ldl, trig), urine protein, urine albumin: creatinine ratio
- Immunization/Skin Test: tb skin test & pneumovax recorded any year, Td/Tdap within 10 years, seasonal flu for current year
 - Basic 3: height, weight, blood pressure

✓ **Visit with Dr. Dale our dietician**

✓ **Set Diabetes Care/Management Goals**

- This is generally done in a visit with Dale, Kathy, or Mary, as well as during foot clinic visits.

✓ **Annual Diabetic Eye Exam or Annual Dental Exam**
(however we encourage them to get both)

- Results must be confirmed and recorded.

For more information or to schedule appointments call Heather at ext. 4546. If Heather is not available Kathy ext. 4519 or Mary ext. 4548 can help.

Only available to active patients of the KBIC Medical Clinic while funding lasts.

Sponsored by the KBIC Diabetes Program
